DECOMPRESSION

6 Action Packed Days and 4 Memorable Nights

We Are Africa and Escape+Explore have joined forces to reconnect you with nature and discover your raw self.

A journey to the trip of Africa embracing the true luxuries of hands on transformative travel. The perfect tonic to the fast paced networking of We Are Africa. This is more than a post-show retreat but a total surrender to Mother Nature.

Depart the Mother City for a trip to the tip of Africa for an experience that will allow you to reach out of your comfort zone, strip back to the basics and examine your who, what and why.

Destination: De Hoop Nature Reserve rarely visited and just three hours from Cape Town at the very tip of Africa part of a World Heritage marine reserve and one of the largest marine protected areas in Africa. 51km of pristine white beaches, limestone cliffs, rock pools, wetlands and coastal fynbos.

Enroute: Experience the hidden outdoor playground of the Elgin Valley where some of best hiking and mountain biking trails criss cross one of South Africa most innovative wine regions. Relive your childhood Old Mac Daddy a luxury retro trailor park that offers Air Stream trailors with artist-themed bedrooms and uber-contemporary living spaces

Your Hosts: Escape+Explore guiding team amongst the top private Adventure guides in Africa.
