

Azura Retreats

Azura Benguerra Island in Mozambique

Imagine an unspoilt island within a Marine National Park, deserted beaches of pure white sand that extend for miles, sparkling turquoise seas crisscrossed by local dhows plying their trade, sunny days and star studded nights...and you have Azura Benguerra Island. Just 20 villas are nestled along one of the last undiscovered stretches of beach in the world, with all the creature comforts you could wish for, sparkling private pools, Mozambican Butler-hosts to look after your every need, fish and seafood fresh from the ocean, a fantastic range of activities and experiences, an African spa to relax in, all at a community based project where the local islanders benefit as much as the guests.

With daily flights from the Kruger Park in South Africa (MQP to VNX), Azura Benguerra's ocean safari is the perfect end after a Kruger safari.
