## Zimbabwe: Victoria Falls & Hwange Re-discovered

Visit Zimbabwe to experience Victoria Falls and enjoy a thrilling safari experience in Zimbabwe's largest wildlife haven, Hwange National Park. Your journey starts with a stay at Elephant Camp, a unique lodge conveniently located in the heart of Victoria Falls. Explore the Falls, relax on the Zambezi River during an exclusive, one of a kind sunset cruise (exact details still to be revealed) and step back in time on a historic tour of the Victoria Falls Bridge, after which you will be treated to lunch at the eclectic new Zambezi House restaurant.

Your wildlife experience will be hosted at the magnificent and truly bespoke eco-lodge Elephant's Eye, Hwange. Stay in ultimate African comfort and privacy in raised tree-house chalets while spotting herds of elephant that frequent the lodge's waterhole or even swimming pool. You will also be taken out on breath-taking wildlife experiences on foot and on safari. A true and inclusive African experience!
