### URBAN ART TOUR IN CAPE TOWN

Cape Town's art scene is exploding with talent and creativity. Get an insider's perspective and visit the newest addition to the Cape Town scene, the Norval Foundation Art Gallery in the heart of the Constantia winelands with an expert curator, dealer and art advisor as your guide. Delve into the South African art and design scene with an exclusive visit to an artist's studio and meet the interesting people pioneering this dynamic industry. Get a sneak peak of an exclusive dining experience in the working studio of The Bronze Age Foundry. Join the artist and his culinarily gifted wife who will host you between the works of art and sculptures in this quirky woodstock studio. A must for any art aficionado!
