EXPERIENCE NAMIRI PLAINS

Set on the sprawling plains in the eastern Serengeti, Namiri Plains enjoys a remote location. The nearest other camps are over an hour's drive away so you can experience the vast plains all to yourself. When not out in the bush spotting lion and other big cats or watching huge wildebeest herds, while away an afternoon around the pool or schedule a massage in our spa. Feed your mind in the library and information centre, or simply chill out and soak up the views from your own private deck.
