BEACH, BUSH & LAKES - EXPLORE NORTHERN KZN

Enjoy a night on safari at **Rhino Ridge Safari Lodge** followed by 2 nights exploring the Kosi Lakes at **Kosi Forest Lodge** and 2 nights at **Thonga Beach Lodge** for some fun in the sun.

Reconnect with nature and with yourself. Make time when you are not available to the rest of the world - that's our definition of luxury. We call it safari luxury. We give you the sense of space you need to live in the moment. Our lodges are a celebration of pristine wilderness, we have chosen the very best protected areas in Southern Africa. We always build from anew and tread gently. Join our family in exploring. Your journey is our journey, whether you are discovering the wonders of turtle tracking or gently walking alongside giraffe. We select iconic game reserves, marine sanctuary beaches, protected lakes, rivers and islands where the ecosystems are undisturbed and the wilderness experiences notable.
