EXPERIENCE KNYSNA LIKE A ROYAL

On the southern coast of South Africa, nestling in an almost secret location, lies one of the most exclusive private villas in the world. A beachfront vacation home so special, that out of more than four thousand entries, it was awarded “Best Property in South Africa” by CNBC.

This is Pezula Castle, a prestigious beach villa to rent, located in Knysna, at the end of the famous Garden Route in the Western Cape. Pezula Castle combines three Castles (Main, Honeymoon, Cliff) with in total five bedrooms. It can be rented as a whole or individually.

Besides the Pezula Castle, we find the Craighross Castle, a newly refurbished 6 bedrooms with en-suite bathrooms castle.

You will live like royalty in these magnificent private residences, and enjoy direct beach access, spacious luxurious suites, and personal service from a dedicated team of staff including an executive butler and private chef.

This will be the perfect way to experience the Knysna like a Royal.
