

# THE OBEROI BEACH RESORT, MAURITIUS

## EXPLORE THE SUNSET COAST

Located in the Indian Ocean far off the southeast coast of Africa, Mauritius is a melange of multiple ethnicities, languages and religions. It was colonised by the Dutch, French and British, who came for its natural resources; from ebony trees to vanilla, sugarcane and peppercorns. The island's capital city: Port Louis has a diverse culture that is reflected in its vibrant arts, architecture, museums and markets.

The Oberoi Beach Resort, Mauritius is the best hotel in Mauritius; directly located on the pristine white beach of Turtle Bay, a natural marine park. Spread over 80,937 square metres of lush, sub tropical gardens, it offers views of breathtaking sunsets and night skies bursting with stars. Magnificent accommodation with traditional thatched roofs. Unique restaurants serving authentic Creole and international cuisines. And a Touching Senses programme of daily cultural and mindfulness activities. All complemented by warm, intuitive hospitality at our five star hotel in Mauritius.
