

TINTSWALO LAPALALA

TRUE WILDERNESS ESCAPE

Tintswalo Lapalala is located in the malaria-free 'Big 5' Lapalala Wilderness Reserve north of Johannesburg in the Waterberg region. It is a 3.5 hour drive or a 45-minute charter flight from Johannesburg. Enjoying its sheltered location, the Lapalala Wilderness offers security for the herds of buffalo, black and white rhino, sable and roan antelope that are all bred on the reserve. 37 kms of pristine river meander through the reserve, providing opportunities to boat, fish or simply enjoy the peaceful magnificence of water-rich scenery, teeming with bird life. The Tintswalo Lapalala lodge is a tented, eco-friendly camp which is completely off the grid, and solely run by solar power. Travelers can enjoy all the modern comforts of a luxury lodge whilst still experiencing the true beauty of the bush. As there are only two commercial Lodges on the reserve, vehicle density is very low, making it one of the most undisturbed safari experiences within the region. The experienced guides and trackers ensure that guests have a high quality, varied and interactive game and wilderness experience.
