Welcome to a new existence in a place where legends linger.

Timbavati - It's a place where a piece of Africa's living heritage has been immaculately conserved. Enter the world of this continent's most majestic wildlife.

The beauty of the Timbavati Game Reserve is unfenced and open, waiting to be discovered.

At *Kambaku River Sands*, we've created a luxury experience that will give you all the space and time you need to pause, breathe in and reconnect with the here and now.

At *Kambaku Safari Lodge* we believe that safaris should be family adventures. Our children's program is aimed at educating and entertaining young minds.

*Live - the Kambaku way.*
