

KICHECHE VALLEY CAMP

MARA WILD ESCAPE

Kicheche Valley, located in acacia woodlands in a secluded valley of the Mara Naboisho Conservancy, is an intimate luxury tented camp. The six luxurious tents, built in a unique style incorporating high eco-standards, are set on platforms and provide the perfect base to see the stunning wildlife and wilderness.

Our Silver rated guides not only have the most up to date knowledge on where to locate fauna but they are also used to their habits and behavior having done thousands of game drives – this is their back yard. Rigid daily schedules are not on our agenda, there are no hard and fast rules at Kicheche so guests can decide on their activities. The duration and frequency of game drives and walks is flexible.
