

# SECLUDED AFRICA

## Cardamom House & Kipalo Hills

This Secluded Africa Experience will take you on a journey from the private, pristine palm-lined Beach Coves of the award winning Cardamom House to the wild, mythical hills of Tsavo.

What a guest would typically experience over 10 days will be compacted in option-filled itinerary of just 4 days. Both boutique hideaways have a great deal to offer and you can choose how best to fill these days according to your guest profile. These included Snorkeling, SUP, Horseback Riding, Kite Surfing, Dolphin Watching, Bush Walks and Game Drives.
