ESCAPADE IN THE LAND OF A THOUSAND HILLS

Songa Africa brings you a once in life time escapade in the land of a thousand hills. This 9-day journey starts with a night in Kigali where you will get to enjoy the beautiful hills and city light views like no other. The following day you will have a brief city tour after which you will head to the eastern savannah lands where you will spend the next two days in Akagera National Park home of the big five. This day will end with a beautiful sunset safari boat cruise.

You will watch the sunrise in the skies on a hot air balloon while also enjoying the splendid park views and you may also spot some of the animals on their morning hunt. You will celebrate your safe landing with a champagne toast followed by a full day game drive. These two wonderful nights will be spent at the Ruzizi tented lodge hidden among swaying palms and fruiting fig trees and overseeing Lake Ihema.

On Day 4 you will embark on a scenic helicopter ride to Nyungwe National Park, where you will be spending the next two days exploring one of Africa's oldest rain forests. You will experience true adventure while crossing the 70-metre high canopy and trying to catch up with the playful chimpanzees. You will be enjoying your two nights at the One & Only Nyungwe house with magnificent views of the tea plantation.

Allow your breath to be taken away as you drive along the scenic Congo Nile trail, on the 6th day, heading to the Volcanoes National Park home of the famous Mountain Gorillas. Your next three nights will be at our very own eco-friendly Amakoro Songa Lodge. You will begin your volcanic adventure with a memorable golden monkey trek and conclude your journey with a Mountain Gorilla trek where you will experience these majestic creatures as they go about their daily life: feeding, playing, resting, grooming and raising their young ones. The following day you will drive back to Kigali where you will catch your flight back home, which will mark the end of your escapade in the land of a thousand hills.
