

AURARI CAMP & CHERERO CAMP

A 4-NIGHT SERENGETI EXPERIENCE WITH INDUSTRY FRIENDS AND COLLEAGUES

Kantabile Afrika is a boutique, owner-run safari camp operator in Tanzania that was born out of a passion project. Cherero Camp, a member of Regenerative Hotels, is in a secluded area of Central-West Serengeti, while Aurari Camp, the venue for Kantabile's inaugural wellness retreat, is nestled in the Mara River region where the Great Migration takes place annually.

The spacious tented suites at these eco-luxury camps can comfortably accommodate couples, friends or families of four.

Come and gain first-hand experience by spending 2 nights at each camp on this FAM trip with us, with game drives and hot air ballooning included!
