PRIVATE GUIDE CAPE EXPERIENCE – DISCOVER THE DEEP SOUTH

African Lynx is the leading multi-day touring and experience provider in Cape Town and surrounding areas. Our exceptional Private Guides and immersive itineraries ensure the best possible travel experience.

Discover the Deep South

Venture south along the Cape Peninsula, visiting the quirky fishing village, Kalk Bay and Dalebrook tidal pool for a quick dip and warm up after with a takeaway coffee and croissant - as the locals do!

Onwards to Boulder's beach - home to the colony of the endangered African Penguins.

We then continue further south and enter Cape Point Nature Reserve, the most southwestern corner of Africa. Here your guide serves our famous gourmet picnic lunch in one of our favorite secluded locations.

We make our way home via Chapman's Peak - the most scenic road in Africa.
