

ENTARA CAMPS & LODGES, TANZANIA

Tanzania – 4 nights with Entara – fully immersive & authentic

Entara is an intimate collection of curated safari experiences, mobile, permanent tented accommodation and lodges located in the wilderness areas of Tanzania.

We offer an authentic & immersive nature experience, with a light ecological footprint and significant positive social and environmental impact.

Spend 4 nights with us pre- or post We Are Africa including 2 nights fly camping in the wilderness.

[2 x Olkeri Camp, Randilen WMA](#)

Olkeri is home to great Elephant herds, this beautiful tract of wilderness, replete with views of woodlands, rocky hills, and shaded by gnarled old-growth Baobab and Acacia, offers the ultimate freedom to explore day and night.

[2 x Kisima Ngeda, Lake Eyasi](#)

Nestled in a fever tree forest and backed by a rocky hill, Kisima Ngeda is a cozy camp that overlooks the salt-water seasonal Lake Eyasi. Eight palm-roofed, fully equipped tented chalets await guests who can lose themselves in the expansive views of the Alipi escarpment.

Fly camping is an overnight experience that truly immerses adventurers in the sounds of the African savannah at night. This experience will take you deep into the wilderness for a night or two, during which we conduct most of our activities on foot, allowing us to be in the bush rather than merely observing it.
