

GOLDEN AFRICA SAFARIS

A CURATED FAM TRIP OF DISTINCTION

CURATED JOURNEYS OF DISTINCTION

Golden Africa Safaris are thrilled to bring you a Pre WAA Botswana Fam trip leading with their luxury roving camp in Moremi and in collaboration with some excellent partners of ours with new camps to explore ensuring you get to experience four of the best safari areas in Botswana in a diversity of habitats and through a diversity of safari activities.

The FAM is an 8 night trip which will take you roving in Moremi with Golden Africa, followed by a helicopter transfer into Mokolwane for 2 nights (newly taken over by Natural Selection) and known to be one of the best areas for leopard sightings in Africa. Another helicopter ride over the delta will then take us to the new Setari and Kala camps situated on a palm island for water based activities and night drives and to experience the breathtaking scenery of the delta.

Finally finishing off for 2 nights at the brand new Moela Lodge overlooking the Boteti River known for its enormous zebra migration and the opportunity to traverse the Makgadikgadi National Park as well as the incredible community partnerships this private reserve has. The wildlife experience here is mind blowing and will be the perfect finish to a varied FAM trip allowing our participants to experience many new areas and camps that are true hidden gems in Botswana.
