

# JABULANI

## A SOULFUL SAFARI EXPERIENCE

Jabulani is located in the Greater Kruger Area, in one of South Africa's best-rated Big Five game reserves.

Jabulani's six suites and two family villas ensure a soulful, personalised and intimate stay for honeymooners, solo travellers, and families.

Jabulani was built to sustain a herd of rescued elephants, more than twenty years ago, and has led to the establishment of South Africa's first dedicated elephant orphanage, called HERD (Hoedspruit Elephant Rehabilitation & Development).
