

# KAMBA AFRICAN RAINFOREST EXPERIENCES

## DISCOVER ODZALA

Explore one of the wildest, most remote and barely-visited regions in Africa, the Congo Basin

Kamba African Rainforest Experiences (formerly Congo Conservation Co.) invites you to immerse yourself in one of Africa's most spellbinding ecosystems.

Encounter gorillas, forest elephants, African gray parrots, and other uniquely rare wildlife; fill your lungs with the immaculate air of a forest barely touched by humanity; and experience the paradigm shift that comes from visiting one of the most remarkable places on Earth.

Kamba's lodges - c- are located within the safe and politically stable Republic of the Congo (not to be confused with the DRC). Rarely visited by tourists, our Congo is filled with delightful surprises, from the elegant restaurants and jauntily dressed denizens of the capital, Brazzaville, to the exquisite, untouched wilderness of Odzala-Kokoua National Park.

Discover Odzala-Kokoua's unique biomes with 3 nights in the dense rainforest at Ngaga Lodge (including 2 gorilla tracks), 2 nights exploring the baï at Lango Lodge, and 2 nights along the river at Mboko Lodge. One night in Brazzaville at the Radisson Blu kicks off the trip.
