

KAREN BLIXEN GROUP

OUT OF AFRICA: KAREN BLIXEN GROUP

Karen Blixen Group is a one stop safari house owning and managing a collection of unique accommodations and safari experiences to some of the most historical city places and wild destinations. We are lead advocates and champions in community and conservation.

A stay at **Karen Blixen Coffee Garden & Cottages in Nairobi** is a journey back to a romantic time. Situated in a peaceful, upscale suburb of Nairobi about 20 minutes from the city center and a half-hour from Jomo Kenyatta International Airport, the property is ideally located for guests beginning or ending a Kenya safari. The 13 cottages are surrounded by one of the oldest formal gardens in Kenya and sit adjacent to the historic Swedo House, the original Edwardian hunting lodge/farmhouse made famous in Blixen's famous memoir *Out of Africa*. *The property is a stone throw away from the Karen Blixen Museum, Giraffe center, Nairobi National Park and David Sheldrick's Elephant orphanage.*

Karen Blixen Camp in Mara North Conservancy comprises of 22 large luxury canvas riverfront tents with undisturbed view of the Mara River. The stylish restaurant, reception, lounge & bar and the gift shop with internet gazebo are set on a wooden deck and furnished with accurate reproductions of Karen Blixen's private furniture to fit in with the cozy atmosphere. The beautiful laid swimming pool offers relaxation and even a little exercise in-between game drives. Our resident masseuse offers a wide range of wellness and beauty treatments. This is the perfect place to sit back and relax with a gin and tonic overlooking the Mara River and the wildlife coming to drink, whilst exchanging stories about the adventures of the day.
