MARATABA SAFARI LODGE
& MATEYA SAFARI LODGE

Marataba Safari Lodge is for the *active family safari*. A place in the mountains to unwind or find adventure. The 15 Luxury Tents (including four. Family Luxury Tents) bring you closer to nature without having to rough it.

Located in the privately managed section of the malaria-free Marakele National Park. The park is a 'place of sanctuary', as its Tswana name suggests, conserving 67 000ha (165 560ac) of the Limpopo Waterberg's biodiversity, as well as Iron Age sites of great historical significance. The game here is impressive in number and diversity due to Marataba's location in a transition zone between the dry western and the wetter eastern regions of South Africa. Marataba is also malaria free.

Mateya Safari Lodge is designed for the discerning traveler, offering a graceful fusion of relaxed comfort in a beautiful setting. The lodge caters for a maximum of ten guests. As such, you are assured exclusivity, privacy and the very highest standards of personal care and attention at all times. Nestled in the rocky outcrop of the Gabbro hills, Mateya Safari Lodge, comprising dining, lounge, and relaxation areas, provides a high elevation and an uninterrupted view of the Madikwe Game Reserve.
