

MFULAWOZI WILDERNESS RESERVE

IN THE FOOTSTEPS OF GIANTS

Join us for an unforgettable stay at mFulaWozi Wilderness Reserve, a fascinating combination of indigenous history, culture and wilderness that is found nowhere else in Africa.

Walk in the footsteps of giants, including the military genius, Shaka Zulu; and legendary conservationist, Dr Ian Player, while enjoying a Big 5 game viewing experience in a region these legends once called home.

The Lodges: Both off-the-grid, Biyela and Mthembu, were built by descendants of King Shaka and named after their clans; each is an oasis of privacy, eco luxury and with their own distinctive style.

... not all legends have just one story
