

SANCTUARY RETREATS

DISCONNECT TO RECONNECT

Sanctuary Retreats portfolio of luxury safari lodges brings the boutique experience to guests with the added promise of authenticity. Located in some of the most outstanding locations in the world, each property is completely unique in its design.

Born in Africa with Sanctuary Olonana, in Kenya, we now own and operate additional lodges and camps in Botswana, Tanzania, Uganda, Zambia and most recently, Namibia.

Besides offering exceptional luxury and some of the most impressive game viewing in the world, Sanctuary Retreats is also dedicated to philanthropy, continuing to build long lasting relationships with the rural communities in which we operate.
