## SIR RICHARD BRANSON'S PRIVATE GAME RESERVE

Located in the Sabi Sand Reserve in South Africa, Ulusaba is Sir Richard Branson's lodge known for the quality of its safari experience, with some of the most experienced Rangers and Trackers in the country. During twice daily game drives, guests will have the opportunity to spot the Big 5 and more.

Guests may stay in one of two lodges, Rock Lodge perched high on the summit of a koppie with spectacular panoramic views over the bush or Safari Lodge in the heart of the bush along the banks of a riverbed, providing fascinating views of animals as they make their way to the nearby watering hole.

For the ultimate experience, guests may share their time between both lodges.
