

VOLCANOES SAFARIS

4 DAY GORILLA SAFARI TO MOUNT GAHINGA LODGE, UGANDA

Pioneers of gorilla and chimpanzee eco-tourism in Uganda and Rwanda since 1997

Volcanoes Safaris has had a clear vision during our 25 year journey: to develop lodges that are sensitive to local culture and aesthetics, connect to local communities and conservation of great ape species and seek to use resources responsibly.

We are the only company in the world to focus exclusively on the gorilla and chimpanzee parks of Uganda and Rwanda, a very rare and distinct type of eco-tourism. We have three lodges near the mountain gorilla parks: [Virunga Lodge](#) in Rwanda and [Bwindi Lodge](#) and [Mount Gahinga Lodge](#) in Uganda. [Kyambura Gorge Lodge](#) and [Kibale Lodge](#), opening in 2024, focus on the chimpanzees.

This 4-day safari will take you to see the majestic mountain gorillas, experience ancient Batwa culture, and see the rare golden monkeys in Mgahinga National Park, Uganda. Stay at Mount Gahinga Lodge, a charming hand built lodge nestled in the foothills of the famous Virunga volcanoes.
