

WALDORF ASTORIA SEYCHELLES PLATTE ISLAND

ESCAPE TO THE SEYCHELLES

Be the first to experience a remote island, long known as a sanctuary for Hawksbill turtles and seabirds turned into a rare conservation learning experience – preserving what we have for generations to come.

Spend three unforgettable nights at the new Waldorf Astoria Seychelles Platte Island on an all-inclusive basis.

Waldorf Astoria Seychelles Platte Island recalibrates the idea of private island luxury, where nature and architecture are sensitively blended.
