

WILDPLACES AFRICA

THE BEST OF UGANDA

Join us on a signature Wildplaces journey through the very best of Uganda. Chimpanzees, Gorillas, The Nile River, Lowland & Highland Rainforests, Mountains, Waterfalls, Savannas and Lakes. All of this tied into one trip visiting all 5 of the Wildplaces properties.

Search for Lions and Leopard at Apoka Safari Lodge. Land a trophy Nile Perch from the banks of the Nile at Papa's Camp. Listen to the morning chorus of birds and primates at Semliki Safari Lodge. Track Chimpanzees in stunning Kyambura Gorge from Honeybear Bush Camp. Savour a day in the primeval forests of Bwindi with a family of Gorillas at Clouds Mountain Gorilla Lodge. This is not just the best of Uganda, but possibly the best of Africa as well....
