

# KAPAMA KARULA

## KAPAMA IN STYLE

With its light, airy, open spaces and views from every angle, Karula is truly the pride of Kapama Private Game Reserve as our flagship lodge. Effortlessly elegant and stylish, Karula will steal the breath of even the most seasoned traveller. This luxury safari accommodation lodge near the Kruger National Park is every discerning traveller's perfect escape.

Our superior villas feature wrap-around glass sliding doors that open onto an outside deck area with stunning views of the Klaserie River.

Enjoy something refreshing from your minibar while lazing around in your heated pool or relaxing on the patio. After a day in the bush, you can take a spectacular shower under the stars in your outdoor shower or, if the weather's a bit chillier, cuddle up in your opulent villa while sipping champagne or any of our selection of fine wines available to you. Aircon in the suites ensures you'll always be comfortable and a Nespresso coffee machine means you can wake up to the smell of your favourite roast, warm and aromatic.
