WHAT IS **WE ARE AFRICA LOCAL?**

We are ready to welcome the tribe to the 11th edition of We Are Africa, the continent's most influential travel trade show. Since 2014, We Are Africa has brought together visionary travel brands, industry leaders and passionate professionals from across the globe.

This year, **We Are Africa Local** is back with an extended programme designed to include top African based high-end inbound buyers. This is your opportunity to connect with Africa's top luxury suppliers and benefit from up to 21 pre-scheduled appointments and dynamic networking opportunities.

We Are Africa Local 2026 offers a rare opportunity for 250 local travel professionals to connect with the continent's leading travel brands from Monday 4 May to Tuesday 5 May 2026 at DHL Stadium in Cape Town.

Step on to the iconic show floor where you will network with extraordinary exhibitors who capture the depth, diversity, and distinction that reflect Africa's wildly unique spirit. With dedicated networking breaks, three on-site meals and an unmissable Stadium Sundowner - be part of the We Are Africa tribe.

This is where Africa's high-end travel tribe gathers to honour local spirit and drive Africa's travel industry forward with pride, purpose and presence.

"We Are Africa Local was a complete success. It gave us as a DMC the opportunity to meet with trade partners we often struggle to meet with throughout the year, during a week that is already dedicated to trade work and travel."

- Alex Lategan, Journey Beyond

"I thought it was really fantastic. There was a great energy, I had very insightful meetings and it was exceptionally well organised."

- Kim Anderson, Singita.
