

Anantara Medjumbe Island Resort & Spa

A little piece of heaven

Ensnconced on a tiny private island in the remote Quirimbas Archipelago off the northern coast of Mozambique, Anantara Medjumbe Island Resort takes full advantage of its idyllic location. Lush vegetation frames the softest of white powdery sands, lapped gently by the azure waves of the Indian Ocean. Tranquil seclusion reigns supreme.

Start your day by waking up to exquisite ocean views, take a stroll and explore the wonders of our tiny island. Take a dip in your private plunge pool overlooking the ocean before we invite you to picnic in style. Speed across the waters to nearby Quissanga, a small island yours for the day. Your personal chef stands by to prepare the meal of your choice - served by your butler - from a cheese platter and charcuterie to a seafood barbecue. Stroll the island afterwards to take it all in. Snorkel the shallow waters teeming with coral.

Lastly let the freedom of the open water take centrestage. Set sail, with your very own captain, aboard our handcrafted traditional dhow. The turquoise shades of the Quirimbas Archipelago are yours to discover. Island hop, cruise into the sunset, or head out in search of the elusive humpback whale.
