

MORUKURU FAMILY

Experience the De Hoop Nature Reserve

Morukuru Family invites you to experience the brand new Morukuru Beach Lodge and our Morukuru Ocean House in the De Hoop Nature Reserve, which is famous for some of the best land based whale watching in Africa.

We will fly you from Cape Town to De Hoop by private charter and you will spend 2 nights at one of the two properties, which are both off the grid, 100% self sustainable and eco-friendly, thanks to solar power.

Our guides will take you for a walk or mountain bike ride through the spectacular fynbos vegetation and you can enjoy sundowners and sand boarding in the towering white sand dunes. Explore the fascinating and colourful creatures during a guided marine walk at low tide (why not try some snorkeling in the protected rock pools too?) and see Cape Mountain Zebra, Bontebok and large herds of Eland during a nature drive.

The De Hoop Nature Reserve is a World Heritage Site and a protected marine reserve, which means no fishing and no boating allowed, keeping the ocean and the coastline pristine and protected. At the end of the trip we will fly you back to Cape Town by private charter.

Places available: 8

When

Pre tour 11-13 May 2018
Post tour 18-20 May 2018
