05 & 06 MAY 2018 – OL DONYO LODGE

KENYA
GREAT PLAINS
OL DONYO LODGE

05 May – Transfer from your early arrival international flight, or hotel, to connect with a morning light aircraft flight (where you will meet your Great Plains host for the full duration of the trip to Cape Town) from Nairobi Wilson or JKIA to the Chyulu Hills (time and airport to be confirmed. 40 minute flight). 20 minute transfer from airstrip to lodge.

2 nights at [ol Donyo Lodge](#) in a pool suite on a fully inclusive basis with twice daily activities.

ol Donyo Lodge is a *Relais & Châteaux* and *National Geographic Unique Lodges of the World* member property with seven suites located on the slopes of the Chyulu Hills overlooking Mount Kilimanjaro. Two nights hardly does justice to the plethora of activities on offer in this 275,000 acres of Maasai land. Choose between day and night game drives, walking, exploring lava tunnels, horse riding, mountain-biking, sleeping under the stars on your roof-top bed, watch the big tusker elephants drink from the waterholes below the lodge, or just relax in your pool suite.

Note: Should we have 10 or more agents/press, we will split the group into two groups. One group will go to ol Donyo Lodge on 5th May and the other to Mahali Mzuri that day, and then the groups switch on 7th May to meet again on 9th May at The Emakoko.

GREAT PLAINS
OL DONYO LODGE

Set on the Mbirikani Group Ranch – 275,000 acres of immaculate, private wild Africa bordering the foothills of the Chyulu Hills National Park – Ol Donyo Lodge blends contemporary design with the rich culture and history of the people of this area, the indomitable Maasai.

This is an area rich in wildlife, where some of Africa’s last giant elephant bulls roam freely, where the haunting calls of leopards interrupt the night and where lions are being pulled back from the brink of annihilation.

The lodge itself was rebuilt in 2008 and sits in thick woodland on a gently sloping hillside with views out over the plains to a distant Kilimanjaro. Designed to merge your outdoor and indoor living, a series of unique suites and villas (no two are the same) appears to emerge from the arid landscape on either side of a palatial lounge and dining area. Six pool suites plus 1 two-bedroom family unit offers a harmonious blend of contemporary and rustic accommodation, merging the landscape into each suite. All of the rooms have their own plunge pool and enjoy roof terraces where intimate “star beds” can be set up, allowing guests the thrill of sleeping in style under a canopy of endless stars while connecting with their sense of place and self.

SIR RICHARD BRANSON'S
KENYAN SAFARI CAMP

Mahali Mzuri is a uniquely designed, luxurious camp, perched on the side of a wildlife-filled gorge of the Ntiakitiak River, which winds its way down into the Maasai Mara Reserve. It's glamping, but not as you know it! Each of the 12 tents are designed to be your home away from home with ensuite bathrooms, inviting private decks and views you won't want to miss.

A 12-metre outdoor infinity pool also overlooks the gorge, with a spa on the valley floor offering a multitude of treatments for relaxing tired limbs or beautifying yourself.

International and pan-African dining options include à la carte breakfast, lunch and dinner, as well as sumptuous bush picnics and fantastic sundowner spots. The bar and lounge area also includes a library, iPads and WiFi for those who need to keep in contact with home or office.

The camp is in prime predator territory and the annual wildebeest and zebra migration passes literally in front of your tent, offering you the chance to witness one of the miracles of nature first-hand from the comfort of your verandah. Day and night game drives and community visits available.

The owners, Emma and Anton Childs, used to manage ol Donyo Lodge and would love to hear about your experiences there, as well as tell you some stories from their tenure. They also make the finest Dawa in Kenya! But not too many as you have a very early start the next morning...
