

The Sanctuary at Ol Lentille

Villas in Laikipia with Ol Lentille

Come and experience the best views in Kenya and a really cultural stay with The Sanctuary at Ol Lentille. We are so much more than just game drives – our four private villas in our vast conservation area offer guests a holiday with no fixed schedules and formats. We are a property where you relax, recharge and enjoy private activities like walks, game drives, camel safaris, authentic community experiences, cycling, quad bikes, yoga and unlimited spa treatments. You also learn first hand how private partnerships with the community can successfully work in Kenya and might go and see schools, hospitals and water sanitation projects that guest donations have funded. We offer something totally different to anything else in Kenya and would like to welcome WAA 2019 participants to come and experience first hand what we offer. Northern Kenya and our private area will guarantee to take your breath away.
