NORTHERN KENYA: COMMUNITY & CONSERVATION

We invite you to experience our **5 nights/6 days' Northern Kenya Community & Conservation Itinerary** - combining two of Kenya's most exciting properties in the Wild North: the elegant and luxurious **Saruni Samburu** and the rugged, authentic **Saruni Rhino**.

DISCOVER one of Africa's most authentic and fascinating tribe – the Samburu – learning first-hand about their culture, ancient customs and local knowledge of the wildlife and wilderness as they guide you through your safari and tracking experience.

ENCOUNTER Africa's wildlife up close in their natural habitat: the 'Samburu Special Five', the famously large herds of Samburu elephants and track, on-foot, the endangered black rhino, reintroduced to Northern Kenya after 30 years, whilst contributing to their protection.

- 07 May 2019: **Eka Hotel**, airport area, Nairobi
- 08 May 2019: **Saruni Samburu**, Kalama Conservancy, Samburu, Northern Kenya
- 09 & 10 May 2019: **Saruni Rhino**, Sera Conservancy, Sera, Northern Kenya
- 11 May 2019: **Karen Gables**, Karen, Nairobi
- 12 May 2019: Depart Nairobi for Cape Town – own arrangements

Saruni Samburu: the lodge is revered for its innovative, eco-chic architecture – natural stone villas perched upon a 'hot rock' overlooking 200,000 acres of private conservancy. With a photographic hide by a waterhole and two infinity pools – it's not just about the wildlife.

Saruni Rhino: small, intimate safari camp offering guests on-foot black rhino tracking experience in the first community-owned & run Rhino Sanctuary in East Africa. Nestled along a doom-palm edged dry river bed, it's Northern Kenya at its most remote.

Accommodation is all-inclusive and single occupancy. Maximum group size is 4 pax. **NOTE: Extensions available to Saruni Mara & Saruni Wild in the Masai Mara – please enquire further with Saruni directly.**
