

SEOLO AFRICA

Chundu Island & Masuwe Lodge

VICTORIA FALLS, ZIMBABWE

Private and peaceful, a birdlover's paradise bounded by wildlife, here you will find the best of Africa's natural offerings from a seasonal beach and flooded marshes to lush wetlands and open grasslands.

Breath-taking **Chundu Island**, accessible by boat, is only 21kms upstream from Zimbabwe's legendary Victoria Falls. Eight spacious palm thatched en-suite rooms, each with their own private deck and perfect view of the Zambezi, are nestled beneath the magnificent riverine trees. Perhaps **Chundu's** strongest attribute is its location, superbly positioned on the Zambezi River, allowing guests to experience Africa in its purest state, peaceful, serene and beautiful, yet exciting and adventurous at the same time.

There is something very special about **Masuwe Lodge** – a positive energy made up of the breeze in the trees, views of the bush, huge open skies and wildlife all around. **Masuwe** combines the best of both worlds – 'life on safari' with easy access to Victoria Falls! You may wake to the sound of a crested francolin ... and an hour later be riding the rapids beneath Victoria Falls, browsing the markets or bravely swinging over the Zambezi River!
