Perched amongst natural rocks on a small island called Likoma in the middle of Lake Malawi is Kaya Mawa by Green Safaris. A stunning lodge offering the ultimate unique beach destination in the warm heart of Africa. We invite you to enjoy spending days barefoot on the white sandy beaches, exploring the blue waters with a variety of different activities and experiencing the island and communities on quad bike.

Kaya Mawa offers a variety of luxurious rooms, all with spectacular views of the beach or lake. Each chalet having its own bespoke décor and some offering private pools. Incorporate a cultural visit to St. Peters Cathedral and experience first hand our commitment and dedication to community development and preservation by visiting our women's artisanal workshop - Katundu or give back to the Island by planting a tree. "Travel with a Purpose" combined with Eco / Green values is what encompasses Green Safaris to the core.
