

CORAL LODGE

MOZAMBIQUE ISLAND

Ten luxurious villas, set on a breathtaking peninsular, with **pristine beaches and a winding lagoon**, bring the Coral Lodge experience to life. An experience which is **intimate and exclusive**, as it is authentic.

Allow us to showcase the colourful history and culture of **Ilha De Mozambique**, Mozambique's only **UNESCO World Heritage Site**, which lies in close proximity to Coral Lodge. A guided tour to this magical island is included during your stay.

Explore the aqua blue waters that wraps itself around Coral Lodge, indulge in the freshest local ingredients used in our fine Mozambican cuisine or delve into the culture and roots of our beautiful country's heritage.

Coral Lodge, in collaboration with ECOLOBRI SRL, are proud to be at the forefront of green tourism within Mozambique. The introduction of a renewable energy project, which includes the installation of micro wind turbines, as well as solar technology, will be the first of its kind in Mozambique.

Our Coral Lodge Family are looking forward to welcoming you and sharing all of our unique experiences and our warm hospitality with you in person.
