### Tintswalo Atlantic Cape Town

Widely known as Cape Town's hidden gem, Tintswalo Atlantic is a 5 star, award-winning boutique lodge nestled at the base of the ocean-facing Table Mountain National Park. This hotel oozes luxury, comfort, and elegance. It is the closest property to the Atlantic Ocean, and if you are lucky you may see Whales and Dolphins frolicking in the sea.

Sitting at the foot of Chapman's Peak, the lodge is perched on a pebbled beach and enjoys panoramic views of the picturesque Hout Bay harbour, the dramatic Sentinel mountain peak.
