

# KAMBAKU LODGES PORTFOLIO

Experience our brand of luxury....

Kambaku River Sands

The establishment of Kambaku Safari Lodge began, as most things do, with a simple idea: that our most memorable moments are those we share with others.

When we eat together, laugh together – when we travel together, we create the kind of experiences that we'll reflect on and call "the good times." Kambaku Safari Lodge is a place designed for those good times.

At Kambaku River Sands, we've created an experience that will give you all the space and time you need to pause, breathe in and reconnect with the here and now. Our rooms are designed to create an atmosphere of blissful solitude. Glass doors and inviting bathrooms invite the outside in as you immerse yourself in the vastness of the surrounding nature.

And lastly, Kambaku @Sea is designed to showcase the spectacular mountain views that will be your panorama during your stay. Behind you, the sea. Before you, the forest. On this expanse of forty hectares, our boutique hotel waits to envelop you in the beauty of this rich, natural environment.

*Arrive expectant. Leave enchanted.*
